

Altitude Football Club Refund Policy

Developmental Program / Camps / Clinics

Altitude FC Leagues/Camps/Clinics Refund Policy—

Once there is NO REFUND available. Altitude FC will try to accommodate request for practice and team placement but they are just a request and this will not be considered for a refund. If a player is injured, and cannot participate, a refund will be given on a prorated basis. If a player moves more than 50 miles a refund will be given on a prorated basis. All refunds will be deducted a \$15 administration charge.

If you have any questions, please contact the Altitude FC office at 303-679-9222.

Academy/Advanced/HS Programs

Because these programs incur significant fees paid to Colorado Soccer Association and EPRD, and because space is limited, refunds are not available after a player accepts his/her team assignment.

AFC will provide full refunds if we are unable to place your child on a team, or if a division/camp/academy is cancelled.
